

Wreaths Across America

On December 16th many of our cadets participated in Wreaths Across America. This event is a huge thing for our Battalion since we get to go out and pay tribute to the ones that have served for our country. A vast thank you to all the cadets and supports that have made this possible

Bronco Battalion Prepares for Competition

After going to Carl Albert’s Dirty Dozen, our cadets are getting ready for a new year full of competition. After we come back from Winter Break, there will be several competitions that our cadets need to prepare for. Each month there will hopefully be a new competition.

Winter Homecoming

Even though we had HomeComing candidates in the fall, two of our cadets had the opportunity to run for winter Homecoming Queen. Congratulations to Cadets Reyman and Kent for being selected. Unfortunately we didn’t get the crown but we are all still proud that you were able to represent us and other organizations

Basketball Kicks off

With it being Winter, Basketball season has kicked off. With basketball we need everything like we did for football. The more cadets we have the better we are.

Carl Albert Dirty Dozen

Once again we did very well in competition. We could always improve but overall all teams did very well. The teams the competed were Raiders, Color Guard, and Drill teams. Congratulations to all the teams.

Reminders

- Please remember when you wear the uniform you are representing the battalion.
- There are drill meets and sports that our cadets practice hard for so come out and support them.
- Keep the building clean
